Entry Requirements:

Entry requirements are subject to regular review. The entry requirements applicable to a particular academic year will be published on the University website (and externally as appropriate e.g. UCAS)

2017 Entry

- DD from A level
- BTEC QCF Extended Diploma grade PPP, BTEC QCF Diploma grade MP
- Pass Access to HE Diploma (Full Award)
- If you've got other qualifications or relevant experience, please contact [The Gateway](#) for further advice before applying.
- International entry requirements and application guidance can be found [here](#)

Other Requirements

Students must have studied a minimum of two years post GCSE level. However, it is expected that some applicants will be mature students with work experience, who wish to further their career development. These applicants will be processed through standard procedures, which may involve an interview as part of the process. Please see <http://wlv.ac.uk/mature> for further information.

Applicants who do not meet the entry requirements may be offered an alternative course.

Distinctive Features of the Course:

Practical Experience: An opportunity at each level of the course to undertake a placement module which will provide invaluable practical experience and enhance graduate employability.

Pastoral support: We pride ourselves in our supportive culture with a large team of academic and student support staff to provide excellent pastoral care and support together with a welcoming academic environment in which to undertake your degree.

Research-led: Our research-led teaching ensures that you will be learning about the very latest debates in policy and practice which enhances graduate employability.

You can develop the skills and knowledge that you need to study at undergraduate level, building on your strengths and working on your weaknesses, so that you can feel confident that by the end you are ready to commence a degree course, and to apply the skills to undertake the directed and independent learning which will help you to achieve your potential. This will allow you to embark on Level 4 study in an appropriate undergraduate discipline or combined award, confident that you have developed the skills and chosen the most relevant subject area(s) to specialise in, which will allow you to perform strongly at degree level and enhance your career aims.

Educational Aims of the Course:

Crime and its impact are at the forefront of current political and social debate. A degree in Social Policy and Criminal Justice enables you to explore the reality behind the newspaper headlines on crime and examine a topic which is relevant, topical and has real, practical application in contemporary society. You will study a

wide range of topics covering the legal and sociological issues of criminology and criminal justice and the associated policy responses. The course equips students with knowledge and skills appropriate for a range of graduate roles in the statutory, voluntary and commercial sector.

Teaching and learning is designed to support digital literacy. Students will acquire the skills necessary to gather evidence and apply theories to a range of social and political issues. Students are encouraged to share knowledge and be enterprising with their ideas.

Teaching, Learning and Assessment:

There will be a variety of learning activities which will support the student's achievement of the course learning outcomes. Lectures and seminars will be utilised as well as utilising the blended learning as noted in the individual module specification templates in line with the university policy to satisfy our six blended learning targets. This will include forum discussions and online tasks where appropriate. In addition there will be one to one support where required in particular for the work placement modules and the research project in level 3. There will be a variety of learning activities which will support the student's achievement of the course learning outcomes including

- Seminars
- Lectures
- interactive lectures
- tutorials
- small and Large group work
- Re-usable learning objects
- Student presentations
- Poster presentations
- Community-based learning through placements
- Case Studies
- Videos and DVDs
- Research activities
- Independent and guided study
- Collaborative and individual on-line activities
- Discussion forms
- The on-line activities and poster presentations support students' digital literacy.
- Group and individual tasks, student presentations and seminar work will support students' enterprising ideas.
- The international perspectives taken in many modules and in learning tasks will support students' global citizenship

Learning and Teaching Methods:

This data indicates the proportion of time in each year of study that students can expect to engage in the following activities (expressed as a percentage for each level).

Level	Teaching	Independent	Placement
3	24	76	0
4	24	76	0
5	24	76	0
6	21	79	0

Assessment Methods:

This data indicates the proportion of summative assessment in each year of study that will derive from the following: (expressed as a percentage for each level).

Level	Written Exams	Practical Exams	Coursework
3	0	0	100
4	40	7	53
5	33	10	57
6	0	0	100

Student Support:

SSHIPs has a well-resourced Academic Support Centre. The development of academic skills is at the heart of this course with academic study skills embedded in core level 4 modules and the opportunity to take a specialist level 4 module in academic study skills; the development of study skills enables students to complete the course successfully.

E-advice, one to one consultation appointments are available as are workshops as well as re sit sessions. Where appropriate online activities will support learning.

Support for the development of academic skills is also embedded in the core level 5 module in Quantitative Research Methods.

Students will receive feedback informally throughout the modules and formally through written feedback (electronically where appropriate) for their formative and summative assignments. This feedback will be constructive and indicate to students how to progress in the learning.

Students will be supported through their final year academic project or Community Link project by an allocated academic supervisor.

All students will have a personal tutor to support their progress throughout their course.

The University's Student Enabling Centre provides a wide range of support for students with varying disabilities.

There is a Directorate of Academic Support available to advise on academic study skills.

Employability in the Curriculum:

Criminal Justice and Social Policy graduates are attracted to a wide range of careers, mostly in the public and not-for-profit sector. Recent graduates are working in a variety of Criminal Justice Agencies including the police service and the National Probation Service, others are employed in related fields such as trading standards, customs and excise and social work. For those wishing to pursue careers outside the criminal justice system this integrated degree develops skills which are appropriate to a range of careers from the civil service to various management roles. All courses provide the academic background and scholarship necessary for postgraduate study at both Master's and Doctoral level.
